THE TIMES.

WEDNESDAY, Sep. 25, 1907.

FARMVILLE.

Our school machinery is now running smoothly; home sickness all gone and another session fast making history. I have felt deep sympathy for the girl who comes to the Normal hoping to enter a certain grade and on examination is found to be sadly unprepared. The disappointment is equivalent to being "ditched" on final examination and this is a fearful trial. The course is now a seven year one and that looks like a long, long time and it is a long pull, especially a the pocket book of the struggling parents also at their respective homes are making many fights to meet the bills.

One of the millers of our county was warranted the other day for exacting excessive toll, and Judge Crawley, at Prospect, promptly imposed a fine of $10.00. On appeal to the Circuit Court, the whole thing was knocked into smithereens as I understand it, the miller took out 24 pounds from each bushel for wastage. Of course all the millers will continue to take it now and so far as I know are entitled to it. I have heard it said that no millers ever gets to heaven, but seeing there can be no more useful or legitimate business than that in which he is employed and "let him who is without sin, cast the first stone."

The season for cutting tobacco has been fine, but our fields have been thirsting for rain.

All table luxuries are still advancing. Parties who have been selling butter the year around for 25 cents are now dontracting for 30 cents, old hams are unknown quantities, chickens are "out of sight" and some one has actually stolen the female pea fowl of Mrs. Dr. White and no doubt rake-off in 15 cents a pound. Our home wives are to be pittied.

I notice that our sportsmen are beginning to pet their dogs and waiting until November 1st is going to be tedious.

Trade in primings has been active.

From the number of new warehouses which are being built it looks as though some people expected that labor would soon be found to make the weed. "Hoop" to the "Backer" the world will have and neither Carrie Nation nor prohibitionists have driven them from the market. The millenium is in the future.

I am quite confident that all our people who go at all will go to the exposition before the gates close.

Dr. and Mrs. Kline, of Duluth, have been visiting Rev. Mr. Littlejohn, the father of Mrs. Kline.

Mrs. A. B. Cralle, of Norfolk, Mrs. A. J. Davis, of Mecklenburg and Miss Steitler, of Texas, have been guests of the family of Mr. J. A. Scott.

Mrs. Governor O'Farrall and daughters have returned to Richmond.

Rev. Mr. Lancaster of Perth Amboy, N. J., has been at Rochelle, his country residence for rest, and recreation. He is making it one of the best farms in Cumberland county.

Our meat market is improving and we are receiving choice fat from the seaside. We are not yet hungry for oysters. There is a new breakfast food put on the market. It is comforting to know that these are all pure, at least they ought to be.

I do not know what the Hampden-Sidney boys would do without the Zimmerman livery. The man has advertised A to do to run between Hampden Sidney and Farmville, has not materialized, and our new railroads are all lost in the woods.

I asked a farmer the other day about his tobacco crop and his reply was, "I have about my usual crop and it is all cut and housed." "Who did the work," I then wanted to know, and he said "white folks." The "pale face" is not a dependable creature, but whether in war or peace is going to be equal to emergencies. I wish however all tobacco growers would quit for one season and note the results.

I had a glimpse of your new bank building from a passing train the other day and was impressed with its beauty. It is after the order, as I should judge, of our First National, and this is one of the most attractive banks within the State.

Dr. Beckham's is the latest residential ornament to our town. It is on High Street and in a fashionable center.

Students are still dropping into the Normal and the list will be larger than ever before.

The Citizen's Bank wants to handle one-third of the dispensary money, and as Admiral Schley said of the Manilla Bay fight, "there is glory enough for all," so here it strikes me that there is money enough for each of the banks to have a site.

There has been no home-coming week for Prince Edward this summer, but I never knew so much of home-coming on the part of our friends and kinfolks, also like at a distance. This loyalty to the old places and old people has been beautiful.

The Annual Conference of the Methodist Episcopal Churches of West Virginia, opens at Huntington on October 9th. Bishop Henry Spellmyer, of Cincinnati, recently returned from China, will preside.

Lame Back.

This is an ailment for which Chamberlain's Pain Balm has proven especially valuable. In almost every instance it affords prompt and permanent relief. Mr. Luke Lavrange, of Orange, Mich., says of it: "After using a poster and other remedies for three weeks for a bad lame back, I purchased a bottle of Chamberlain's Pain Balm, and two applications effected a cure."

Had Tetter for Thirty Years.

I have suffered with tetter for thirty years and have tried almost countless remedies with little, if any, relief. Three boxes of Chamberlain's Salve cured me. It was a torture. It breaks out a little sometimes, but nothing to what it used to do.—D. H. Beach, Midland City, Ala.

Iron is plentiful in large quantities in the Philippines. In Bulacan province there are mountains mainly composed of iron, assaying up to 65 per cent and over in government labratories. One mountain is claimed to be all iron.

Attack of Diarrhoea Cured by One Dose of Chamberlin's Colic, Cholera and Diarrhoea Remedy.

I was so weak from an attack of diarrhoea that I could scarcely attend to my duties, when I took a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me entirely and I had been taking other medicine for nine days with-out relief. I heartily recommend this remedy as being the best to my knowledge for bowel complaints.—K. G. Stewart, of the firm of Stewart & Bro., Greenville, Ala.

Profanity never did any man the least good; no man is the richer, the wiser or happier for its use. I commends no one to society. It is disgusting to the refined, abomns ble to the good, insulting to those with whom you associate, degrading to the mind, needless and injurious. Young man, don't be profane.

DO YOU GET UP
WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost every body who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are Home of Swamp-Root. sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

At the solicitation of many voters, I respectfully announce myself a candidate for the office of Commonwealth Attorney for Appomattox county, and respectfully solicit the support of every voter of the county, regardless of party, sect, creed or class and will say that I have no partnership nor entangling alliances, or other relationships to hinder me from conscientiously prosecuting every violation of law in the county, and pledge myself, if elected to the personal and faithful discharge of every duty pertaining to the said office, without fear, favor or affection, and to attend in person the meeting of the Board of Supervisors, as the law directs, and keep an eye single to an economical administration of the finances, and the good order of the county.

The Alcoma correspondent of the Clarion inquires whose fault it is that the district schools are not attended to as is the High School at this place. Well the fact is there are only two trustees in Mayesville district and with the district about $500 in debt these two trustees decided to wait and let the third man help decide what schools should be opened, and we had hoped the new trustee would be appointed in time but the Trustee Electoral Board has not met as yet to choose this trustee. I thought it had been made plain through this correspondent how the high school at this place is maintained. The State appropriated $50,000 for high schools and from this appropriation this high school gets $400. The county school board appropriated $300 out of the unapporioned county fund and the balance of the teachers salaries are paid by Mayville district. Mayville district only pays $179 to the county school fund and yet I heard a man complaining that he had to pay a tax to help support the school when the fact is he does not live more than three miles from the school and wants a school near his house when he does not pay as much as 50 cents a year to the county school fund. I asked some intelligent men who mentioned the amount this district pays into the county fund how much they thought it was and one thought it about $1,000 and the other 1,500.

The pupils of the High School will be taken in a body to hear the address of Superintendent Eggleston on the 15th.

J. W. Kenney has been appointed principal of the graded school at Dillwyn, and if he makes as good impression as a teacher as he did while working in the railway station, he will be a success.

Mr. Fawcett, the cashier of the Buckingham Bank, has bought a lot of land that belonged to the Hickok estate; this land is surrounded by the lands of Messrs Garnett, Grigg and Wood. Mr. Fawcett contemplates building on his property.

I have the report which comes from Curdsville district that a most estimable lady in a fit of despondency tried to end her life last week but was rescued by the heroic efforts of her husband. Names are withheld out of respect for those concerned, and they have our sympathy.

Some winter apples have been shipped from Dillwyn, which netted $2.50 a barrel in Richmond.

Those who returned from Jamestown last week were so much pleased that they want to go again.

People seem slow to understand that our court begins on Tuesday after the 2nd Monday, which is not always the 2nd Tuesday of the month, as in the present case it comes on the 3rd Tuesday, which is the 15th.

South of the James.

Once again I will try to tell the readers of this good paper something of interest from this section.

Mr. H. M. Harris returned from Jamestown exposition on Friday 4th inst, reports a good time and amply repaid for the trip.

Miss Lula May collins returned home last week. Mrs. Thomas who recently visited relatives in Buckingham, to Keene, to attend school for the ensuing session.

Miss Annie Lee Collins will spend the winter with her sister, Mrs. Wingfield, at Schuyler, and attend school there.

Our schools for this part of James River district will have for teachers, Miss Cora Wood, Miss Mabel Swoope and Mr. Swann.

We feel the universal stride for the educational improvement of our country should meet with hearty applause.

Miss M. P. Simmons spent the past week in Lynchburg with relatives and friends.

Miss Josie Wade returned home last Sunday after a visit to relatives in Lynchburg.

Mrs. Carrie Jones and her three sons report a pleasant visit in the Andersonville neighborhood not long since.

Whiskey reached a record price in Cincinnati last week. Perhaps it was because they have to make the real thing nowadays.

A Yale Japanese professor has married a Connecticut woman, in opposition to the latter's family. There is no accounting for feminine tastes in these times.

Despite his precaution to prevent advance publication, the President should be pleased and encouraged by the early interest taken in his speeches.

The Louisville couple who married under water the other day, will find it no picnic keeping their heads above it after they settle down to housekeeping.

A California man has just been released after having served thirteen years for a crime he never committed. Possibly his disposition has not been soured by the experience, but, at any rate, he should not be expected to regard it as a joke.

INTERESTING STORIES ABOUT HOME FOLKS

Our Correspondents relate the News of the County.

Bent Creek.

We are having beautiful fall weather now, so cool and refreshing. The farmers have taken advantage of the nice weather to get their crops in shape to save. The most of the food is saved and now comes the busy season of seeding wheat. Truly speaking, the farmer is the busy man after all. Lots of primings from this section have been sold at the Appomattox warehouse for very satisfactory prices. One farmer took up a load and being in a hurry he did not wait until the sales but sold them privately had his check cashed and returned home. When they were sold they brought something more than a dollar more than the farmer got on his private deal, so he sent the check for the amount over to the farmer. We are convinced that we have fair men to deal with there. The writer rather thinks though that they should have kept the amount over, for would the farmer have made it good had they fallen short of what he received.

Mrs. George Burks and two children, of Clifton Forge, returned home on the 30th, after a pleasant visit of two weeks to friends in Appomattox and Buckingham. Her visit was very pleasant all through, but to me her own expression the most enjoyable day was spent at Maple Grove church where she listening to two sermons from her old friend and former pastor, Rev. J. J. Spencer. There was quite a large crowd there, notwithstanding the fact that the country road had become abandoned on account of its condition as vehicles could not go over it. All who attended the service seemed to enjoy the day and we hope to have Bro. Spencer preach for us again in the early spring.

Mrs. Kirby Smith and Mrs. Marv Burnett will visit the exposition next week.

Miss Mary Lyle, of Hampden-Sidney, who contracted for the Bent Creek school, failed to secure board near enough to the school building. She has taken charge of the James River school and is boarding at the pleasant home of Mrs. Eugene Walton.

The patrons of the Bent Creek school are more than anxious for Mrs. L. Turner to teach for them again. She is not fully decided yet.

Little Maria Brown, of Shipman returned to her home last Sunday after a pleasant visit of six weeks to Grandma Dixon.

The Sunday school closed at Maple Grove last Saturday with a picnic or rather a treat for the children, which they enjoyed so much. While the older people were preparing the treat the children played various games on the yard and all seemed to enjoy themselves in this simple way. It is indeed refreshing to see children enjoy play.

Married.

The home of Mr. and Mrs. M. H. Simms was a scene of rare beauty on last Wednesday evening at 2 o'clock, when Miss Odelle Inge became the bride of Mr. Lee Agee. The parlor was beautifully decorated with golden rod and evergreen.

The bride wore a lovely white silk made en-princess, with long veil caught with tute roses, and carried a bride's bouquet of white roses tied wi h white satin ribbon.

The maid of honor wore white mull over yellow and carried a large bouquet of pink roses.

The ushers entered as follows, forming an aisle through which the bridal party passed: First came Miss Bertha Wooldridge with Mr. Benjamin Inge; Miss Gracie Chesham with Mr. Floyd Lewis; Miss Vash Davis with Mr. Floyd Wooldridge; Miss Sophronia Sims with Mr. James Martin. Then came the groom with his best man, Mr. Chapman Simms, uncle of the bride, preceded by the little flower girls, Alice Cheatham and Gladys Agee, carrying baskets of golden rod followed by the bride with her maid of honor, Miss Ossye Agee, sister of the groom.

Rev. Mr. Murphy performed the ceremony, after which the happy couple took No. 4 for Jamestown, Norfolk and other points of interest on the sea shore, returning by way of Richmond, to spend a short while with friends and relatives of the groom

The bride is the beautiful and accomplished daughter of Mrs. Stephen Duff, of Brooklyn, New York, and grand-daughter of Mr. M. H. Simms, of this county.

The groom is the son of Mr. W. A. Agee, a prosperous farmer, also of this county. He is one of the most popular firemen on the Norfolk and Western railroad. They will make their home in Roaneke.

The presents were many and handsome and attest the popularity of both bride and groom. They have our best wishes for a long and happy life.

Whether he is ever elected or not Mr. Taft is managing to have a good time as a candidate.

Everything has not gone up in price. Happily, circus tickets, watermelons and corn on the cob are still within reach of the poor.

"The cold winds of November and March cannot chill the summer in the soul," says the Baltimore American. Probably not. But December, January and February will take a full out of you.

Coughs of Children
Especially night coughs. Nature needs a little help to quiet the irritation, control the inflammation, check the progress of the disease. Our advice is—give the children Ayer's Cherry Pectoral. Ask your doctor if this is his advice also. He knows best. Do as he says.
We publish our formulas
We banish alcohol from our medicines
We urge you to consult your doctor
Ayer's
If you think constipation is of trifling consequence, just ask your doctor. He will discuss you of that notion in short order. "Correct it, at once!" he will say. Then ask him about Ayer's Pills. A mild liver pill, all vegetable.
